

Breaking the Drug Cycle within Family System by applying I-FAST approach: Overseas Practice Wisdom and local experience

以家庭系統綜合介入模式 (I-FAST) 打破家庭中的戒毒循環： 海外及本地實踐經驗及智慧分享

- I-FAST approach to address Family Mental Health and Substance issues
- Family Education vs Family Systems Treatment
- I-FAST Direct focus: Goal-setting / Exception-finding / Family-involvement
- I-FAST Indirect focus: Child as client / Parent using substances / Marital situations
- Integration of I-FAST and Standard Drug Treatment: Overseas Case Demonstration
- Case sharing from Social Workers of Caritas Family Service on I-FAST Local Practice
